WHY PARTNER WITH US?

By teaming up with businesses, educational institutions, and other organizations, associations and partners can expand their market reach and significantly amplify their collective voice.

Become a Partner

Alliance for Automotive Innovation represents the full auto industry—a sector supporting 10 million jobs and 5% of the economy. Operating in all 50 states, the association advocates for a cleaner, safer, and smarter transportation future.

This limited-availability partnership embeds your company at the heart of the industry's greatest transformation, offering these exclusive benefits:

- **Be the Authority:** Position your company as the essential expert defining the future of mobility.
- **Access the Decision-Makers:** Instantly expand relationships with leading OEMs, Tier 1 suppliers, and policymakers in one exclusive forum.
- **Influence Policy:** Gain premier visibility at high-profile policy forums.
- **Unmatched Profile Elevation:** Achieve thought leadership and a heightened profile through exclusive engagement opportunities and publications.
